RCM 1 / RCM 2 Report – March 15, 2026

On Sunday, March 1 st we attended the RD learning day which was very successful. We provided food and submitted a receipt for \$237.00 and approximately 15-20 CBANA members were in attendance. The learning day included information about the CAR workshop and issues and solutions that arise during the group level meetings.

Yesterday, March 14 th, we attended the Regional Assembly CARS Workshop. Everything went great, but we feel as if some things were being “pushed”. There was a nomination for Henry H. for RDA. Does the CBANA area want to nominate or “back” this nomination and do we want to nominate anyone else.

(Paul S. finished the rest of our report)
