H & I Report 5-17-26

We had orientation on May 3, 2026, at 1:30. There were four volunteers, followed by our subcommittee meeting with six committee members. A proposal was made to add an H&I policy under the panel leader qualifications, with a bullet point stating, "A facility may have a co-panel leader subject to the same requirements." Consensus was reached on May 2nd. Cenikor reached out, stating that no more fellowships would be allowed into Cenikor, subject to the facility's move, until further notice. The male side of Shoreline is still looking for members to commit. We had an H&I Workshop where the H&I information pamphlet was presented with two speakers and an orientation for eight volunteers. Our next orientation will be June 7th, at 1:30 PM, followed by a subcommittee meeting at 2:15 at 3307 Ayers. Orientations will be presented through the month as needed.
